If requested, a repeat mating will be given at no charge if the Bitch does not conceive. The fee for mating (Stud Fee) is not refundable.

The mating process will be under the control of the Stud Owner and the Bitch Owner should assist when asked. The Stud Owner reserves the right to cancel the mating if the Bitch is aggressive to the Stud. If no mating occurs, no Stud Fee is payable and neither party has any claim for expenses or other losses.

Payment of the Stud Fee is by cash or cheque and a receipt will be given. The Stud Owner will sign the form required by the Kennel Club for Litter Registration and post it to the Bitch Owner when the payment is cleared.
